

ACME CHEMICALS (M) SDN BHD

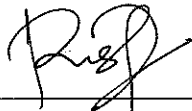

ENVIRONMENTAL POLICY

We at ACME Chemicals (M) Sdn Bhd, a reputable manufacturer and supplier of industrial chemicals, will strive to create a clean environment in all our activities, product services by committing ourselves to:

- Conserve natural resources through reuse, reduce and recycle
- Protection of environment and prevent pollution through effective control measures
- Comply with applicable environmental, legal and other requirements to the company
- Work towards continual improvement in our environmental performance and periodically review the established system

This policy and the environmental obligations and responsibilities required by the environmental management system have been communicated to all employees and persons working on behalf of the organization. The policy is available to public on request.
